Graph Your Sanctuary dimensions (1 box = 1 foot)

Projected Install Date: _____

A large grid for graphing sanctuary dimensions. The grid consists of 30 columns and 20 rows of small squares. Each square represents 1 foot by 1 foot. The grid is intended for drawing the floor plan of a sanctuary and labeling dimensions.

* Note window placement and desired screen placement. Write in length and width numerically so measurements are clear.

* Please indicate other features unique to your facilities on page 2.

Email or Fax to 503-315-7132 once completed.
