

# 3M™ Overhead Projector Model 1825

## Utmost Brightness

Make the most of any meeting. The 3M™ Overhead Projector Model 1825 offers the utmost in brightness --from a minimum output of 3,600 lumens (on the low setting) to a maximum of 4,300. The 3M Overhead Projector Model 1825 also boasts a brand new look of tough sophistication that fits any meeting-room or classroom environment. Features include thermostat that prevents the unit from overheating, lamp ejector that makes the task of changing lamps easy, high-to-low dimmer switch that conserves lamp life, fold-down post that makes moving and storing simple, and power-cord wrap. The 3M Overhead Projector Model 1825 also comes with a five-year warranty on all parts and labor.

### KEY FEATURES

- > Utmost in brightness—minimum output of 3,600 lumens to a maximum of 4,300
- > Wide-angle, articulating singlet lens produces detailed images kept focused by a rack-and-pinion mechanism.
- > Closed head prevents damage to lens from dust, dirt, and smudges.
- > High-to-low dimmer switch conserves lamp life.
- > Fold-down post makes moving and storing simple.
- > Five-year warranty covers all parts and labor. Please see product packaging for details of warranty terms.
