

3M™ Overhead Projector

Model 1880

Lasting Impression

Make a lasting impression with the elegantly styled 3M™ Overhead Projector Model 1880. It comes with an articulating closed doublet lens for especially crisp screen images. The closed head prevents tampering with the precision two-element lens. There's a color-tuning dial for edge-to-edge brightness, and high-to-low intensity switch that adjusts from 2,500 lumens to 3,000. One of the best on the market, a hush-quiet fan reduces bothersome noise for quieter presentations. The 3M Overhead Projector Model 1880 comes with carrying handle and fold-down post for easy storing and moving, convenient digital clock for on-time meetings, lamp changer that makes changing lamps simple, and power-cord wrap. The 3M Overhead Projector Model 1880 has a five-year warranty on all parts and labor.

KEY FEATURES

- > Articulating closed doublet lens for especially crisp screen images
- > Closed head prevents tampering with precision two-element lens, and it keeps out dust and dirt.
- > High-to-low intensity switch adjusts from 2,500 lumens to 3,000 for most room-lighting situations.
- > Hush-quiet fan reduces bothersome noise.
- > Carrying handle and fold-down post provide easy storing and moving.
- > Convenient digital clock helps presenters run on-time meetings.
- > Five-year warranty on all parts and labor. Please see product packaging for details of warranty terms.

ORDER NUMBER: X0-0038-0714-6 (former#: 78-9236-6583-6)

OPTIONAL ACCESSORIES: Replacement lamp, roller attachment, roller-attachment film, and dust cover
