XR-1 S/X  
DLP Pico-Portable Projector

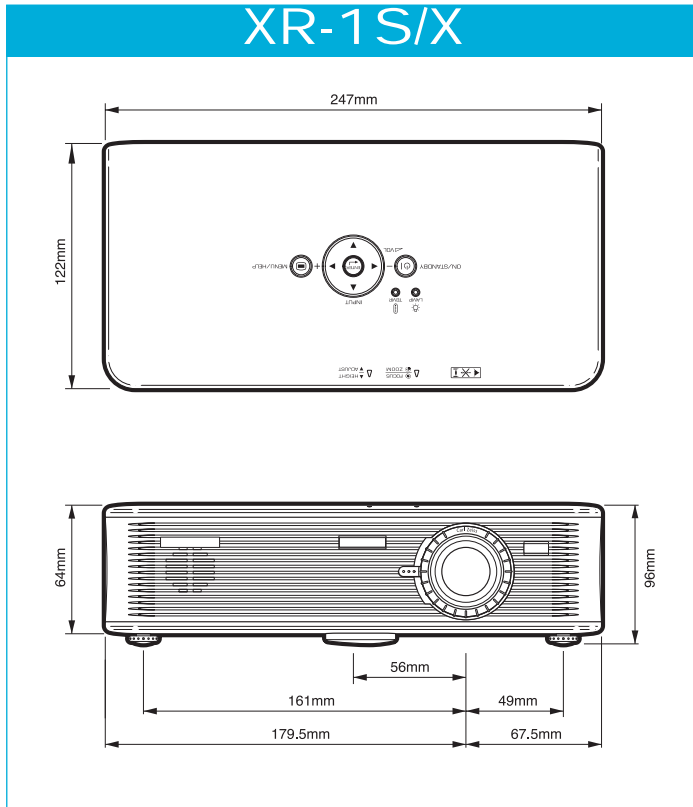

Designed to fit alongside a laptop in a briefcase, the incredibly compact XR-1 is the ultimate in convenience for portable presentation solutions. Whether used in the office or at home, this stylish projector is sure to attract and retain the audience's attention.

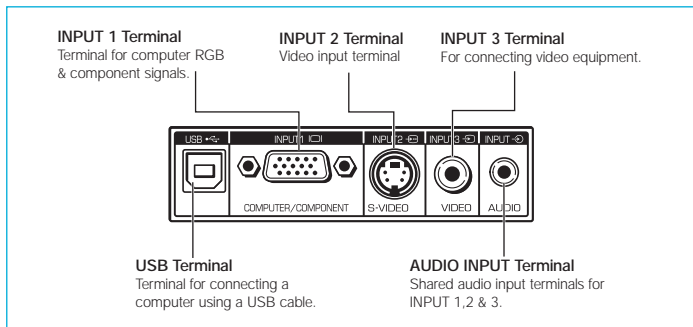

- DLP technology provides a contrast ratio of 1500:1/2000:1\*, which combined with 1200/1300\* ANSI Lumens, leads to an exceptional performance in the workplace (\*XR-1X)
- 8 second "Quick Start" feature, and Auto Keystone Correction ensures very easy set up and use
- Credit card sized remote and total mouse control
- 4000 hour lamp life and eco-mode provide low cost of ownership
- Carl Zeiss zoom lens generates superior image quality, and provides excellent reproduction of data and video images
- DVD, satellite TV, and games console compatible with 16:9 widescreen mode

# SPECIFICATION XR-1S/X
